(valid until further notice)

We, Company:

Address:

Phone:

**hereby confirm** to store and use the products delivered by neoFroxx GmbH, Marie-Curie-Straße 3, 64683 Einhausen, in compliance with all applicable legal provisions and with the necessary expertise.

We will use and process the products only in a legal manner,

- x** this particularly, but not exclusively, applies to products that could be misused for the production of chemical warfareagents or synthetic drugs/narcotics, or even used as such.
- x** this also applies to substances and mixtures that are labeled with
  - 1.** the GHS06 (skull and crossbones) or
  - 2.** GHS08 (health hazard) hazard pictograms, the danger signal word and one of the hazard statements H340, H350, H350i, H360, H360F, H360D, H360FD, H360Fd, H360Df, H370, or H372, in accordance with Regulation (EC) No. 1272/2008 (CLP Regulation).
- x** we confirm to test the products before use in the human or veterinary medical sector, in agriculture, food, or cosmetic industries.
- x** we confirm not to use the purchased products as explosives, fuels, propellants, pyrotechnic substances, or for their production, or for military or police purposes.

We are aware of the specific potential hazards.

If you export neoFroxx products outside the EU or OECD, you are committed to complying with all current and future foreign trade regulations, including Regulation (EC) No. 428/2009 and Regulation (EU) No. 649/2012.
